January 2021

New Sign In Procedures

Please note there have been some changes to our procedures when guests are entering the school. Upon entering, all parents/visitors must sanitize at the front entrance, put on a face mask and sign in at the office if they are entering the hallway for any reason.

New and Departing Staff

We are sad to say farewell to a long time Haldane teacher. After spending her entire teaching career at Haldane, Mrs. Calvert has decided to retire. Her last day will be Friday, January 8th. Please join us in thanking Mrs. Calvert for adding her stamp to our Haldane community and wishing her all the best on her next journey. We will be welcoming Mrs. Haylee Hane to the grade 3/4 class starting on Monday, January 11th.

After being away on maternity leave, Ms. Mackay will be returning to her grade 4/5 class on January 18th. We would like to extend a huge thank you to Mrs. Stengel for her time since the beginning of this year. We hope to see you return to Haldane in the future.

New Daily Health Check Acknowledgement

In the fall, parents/guardians and caregivers were asked to complete an Acknowledgement to Complete the Daily Health Check form, where they must assess their child(ren) daily for key symptoms of illness before sending them to school. If a child has any symptoms, they must not go to school. Families were told that they would be asked to sign an updated *Acknowledgement to Complete Daily Health Check* form in January. These forms will be sent home with students January 4th. Please make sure you have these filled out and returned to the school by January 8th.

Brain Bikes

On December 16th Christmas came early at Haldane Elementary. The Shuswap Rotary Club delivered two new Brain Bikes.

Thank you so much to our amazing PAC for purchasing these bikes for our School. Our students will be enjoying the benefits.

A big thank you to Jacquie and Doug Everett of the Shuswap Rotary Club for your generous contribution and making this all happen.

After School Dismissal and Pick Up

It is important to remember that during COVID times, students should be leaving quickly after school to minimize the congregating and mixing of students and families of different cohorts. Thank you to those families who have made plans to meet your child after school and limited gathering on school grounds. Your efforts are making a difference! If your child does not get picked up or is not taking the school bus please remind him/her to leave promptly after school, rather than lingering to play with other students.
