Christmas Concert

With COVID restrictions on gathering, we have had to think outside the box on sharing our holiday spirit with families. Over the next few weeks, each class will record their performance and Mr. Scott will create a video, which will be sent out as a link for families to watch. Students who do not have media release consent will not be recorded in their class's video. Please communicate with your child's teacher if you do not want your child to participate.

Haldane's Annual Book Fair Success!

PAC would like to thank everybody that helped make this year's Book Fair such an enjoyable event. Although we were unable to welcome families into the school. Thank you everyone who volunteered, shopped, and supported us in numerous ways.

Lost & Found

Our lost & found is once again overflowing. Please make sure to have a look through items while you are at school as we will be donating all items before Christmas.

Found 4 Kids

Found4kids is a local group helping SD73 families by providing school clothing at no cost. Please contact the school if you'd like a voucher or to book a private session to shop for used children's clothing.

Cold Weather News

Please send indoor shoes and cold weather clothing with your children. Winter coats, hats, mitts, snow pants and boots are appropriate for winter weather. Don't forget to label all clothing with your child's name; it helps us return it to them when lost. We take off our winter boots at the door to help keep the floors dry. Students are expected to be outside for recess and lunch. If the temperature dips below -10° C we generally move to inside days. The school doors open at 8:23 am, and please remember that students are not supervised outside before this time.

New Flex Room

We are pleased to welcome back to our staff Ms. Larissa Friesen! Ms. Friesen was in our grade 1/ 2 room earlier in the year and then for a small amount of time in our grade 2 room. She is now full time with us, until June and will be working with many of our students to provide individual supports where necessary, to help our students be successful in the classroom.

Her room will be called the "Flex Room" and will offer opportunities for helping students learn to self regulate, and improve social skills in small group settings.

Interim Reports

Interim report cards will be going home next week (Friday, December 10th). Please look for these in your child's backpack or correspondence from your child's teacher that gives a "check in" for how students are doing so far.

Our first formal report card goes out February 4, 2022.
